

2010 Lockwood Regatta Rules

1. The boat must not be assembled before brought to camp
2. You must use supplies brought from home. Do not use any camp equipment.
3. Any duct tape, rope nails, or screw you use to attach or build your boat must have been brought from home
4. You can not leave camp to buy supplies for you boat
5. You can use any type of buoyancy you wish as long as it was brought with you. The only exception is you cannot use any type of watercraft device.
6. There must be at least one rider on the boat over the age of 21 from your troop in complete full field uniform
7. Have fun. Creativity counts.
