**2021 CAMP SCHOLARSHIP  
PROCESS & WORKSHEET**

# Camp Scholarship Application Process & Worksheet

**The Camp Scholarship application process is something Unit Leadership (Committee Chairs, Camping Coordinators, Cubmasters, Scoutmasters, Crew Advisors, ETC.) should be helping families with. Using this worksheet for EACH applicant before Unit Leadership enters the info into the MCC website is crucial.**

To be eligible, the following guidelines must be met by the youth applicant:

- Registered within the Michigan Crossroads Council **and** in good standing for at least **30 days** prior to completing an application.
- Youth attending a Michigan Crossroads Council operated Summer Camp (Day Camp, Cub Scout Resident Camp, Webelos Resident Camp, or Scouts BSA Resident Camp)
- Youth attending an Michigan Crossroads Council, District, Area or National Training Conference. I.E. NYLT (National Youth Leader Training)
- Recommended by his/her Unit Leader (Committee Chair, Cubmaster, Scoutmaster, or Advisor) **and** Parent/Guardian. When a Unit Leader enters the information into the Michigan Crossroads Council website it is their responsibility to ensure all parties are in agreement with the information provided.

In keeping with the philosophy of “pay your own way”, each youth should pay a portion of the fee. Camp Scholarships are awarded based primarily on need. The more information the Camp Scholarship committee has about the Scout's particular need, the better.

The Michigan Crossroads Council also reserves the right to consider the unit's participation in Council administered product sales as demonstrating a concerted effort to raise these funds. The family and unit should also contribute to the cost of the camp experience. Camp Scholarships awarded will not exceed 50% of the event fee and are not guaranteed.

Applying for Camp Scholarship aid must be done online via the Michigan Crossroads Council Website at:

<https://247scouting.com/forms/form.php?OrgKey=BSA272&id=1236>

Scouts BSA Camp Scholarship requests must be completed online by **APRIL 1st** to allow time for review, allocation, and notification. Cub Scouts have until **June 30**. If approved, the Camp Scholarship amount will be sent to the camp or to the National Conference when registration of the individual is confirmed. Fees will be credited as camp payment in the Scout's name within the Michigan Crossroads Council Summer Camp Reservations portion of its website. The Camp Scholarship is to a specific individual and is not transferable to other youth.

1. Apply online separately for each Scout needing assistance. All information requested on this WORKSHEET is needed when applying online.
2. Assistance will be considered based on need and the youth's unit's support of the mission of the Michigan Crossroads Council including participation in the Friends of Scouting Campaign and Popcorn Sale.
3. **All requests must be submitted online by APRIL 1<sup>st</sup>** for Scouts BSAs. Cub Scouts have until **June 30**. All Camp Scholarship applications submitted on time will be considered based on the financial need of the Scout in relation to the other applications received and available funds. Any Camp Scholarship applications received after **June 30** will only be considered if there are funds remaining.
4. Your request will be reviewed by a committee within the Michigan Crossroads Council. Camp Scholarship awards and information is confidential and will not be shared outside of the Camp Scholarship committee.
5. After review, notification will be done by the committee to the Camp Scholarship Recipient's family and Unit Leadership including the assistance decision.
6. Assistance funds will be credited to each Scout when they attend the event they applied for. Funds are only usable by the individual whom the assistance was granted.
7. Completeness of the information when applying online will help determine Camp Scholarship allocations.
8. Scouts are only eligible to receive one form of financial assistance.

**Thrifty: A Scout works to pay their own way and help others. They save for the future. They protect and conserve natural resources. They carefully use time and property.**
